Dear Dr. Obra,

On 6-8 December 2017, the Stage 1 audit of your QMS to ISO 9001:2015 was conducted.

Your QMS was found ready to undergo Stage 2, during which it will be assessed for its consistent and effective implementation. We anticipate that observations during Stage 1 have been suitably addressed in the course of your continual improvement planning.

The effective implementation of the improvement actions on reports EOD-01-ST1 and EOD-02-ST1 will be verified at the Stage 2 audit.

The Stage 2 audit of your QMS will be conducted on our mutually agreed dates. We look forward to its successful completion.

Thank you for your attention. Best regards.

Very truly yours,
